Mr James Woolstenholmes asked if Earith Parish Council had considered providing bottle banks as Colne currently do as the District Council give them money for the amount of glass that they collect.
The Chairman said that the Council had considered this but as you can now put your bottles into your blue bins there does not seem to be a need for one. The original problem was where to site the bottle bank and this was why the Council had not considered this option as a suitable place within the parish could not be decided upon.
